*Take extra special care of this code – you'll need it to use your voucher.*

To activate your gift voucher please log in to your onfriday account. If you do not have an onfriday account you'll need to set one up before using your gift voucher – just click the Register link at the top right our homepage. Once in your account, click 'Submit my gift voucher code' and enter the code. By doing this it means your voucher code is linked securely to your account and can not be used by anyone else. You are now ready to shop! As you go through checkout you will be asked to input your voucher code. If you don't spend all of your voucher during your first visit, the remaining amount will stay in your account until it is fully redeemed. You can view the full terms and conditions on our website.
